POSTER CONTEST

SAFETY IS IN YOUR HANDS.
EVERY DIG. EVERY TIME.

Grades 4th-6th are invited to design a poster that conveys the 811 safety message: Safety is in your hands. Every dig. Every time.

PRIZES:

- Grand prize winner receives a technology package: iPad, keyboard, earbuds, and Apple Pencil
- 11 honorable mention winners will receive an \$81.10 gift card
- Top 12 winning posters will be featured in an 811 safety calendar. Each school that submits entries will receive a calendar
- Teacher of grand prize winner will receive an \$811 educational award

Help students gather information and spark ideas for their posters by visiting energysafekids.org. The site offers engaging lessons, safety tips, interactive games, and videos to support their learning.

If the deadline is approaching and you need to submit a digital entry, contact manager Lauren Massey at lauren.massey@nefl.org and a link to JotForm will be supplied.

Poster entries will only be accepted from schools in the United States. All entries postmarked by April 1, 2026 will be included in the contest.
